

# THE BEECHWOOD SCHOOL

## April Newsletter 2024

Spring is here! Please remember to label all Spring coats with your child's name. It is also time to replace your child's set of extra clothes with warmer/spring weather clothes.

We have a very busy April planned. When we return from Spring Break our class will be taking our spring walk looking for signs of Spring.

Class 1 will be busy making crafts and learning about creatures that live Under The Sea for our Art Show theme this month. Earth Day is April 22nd. We will learn how to help and protect our Earth. To celebrate Passover on April 22nd we will be tasting Matzo at snack time. At the end of the month we will be planting sunflower seeds and watching them grow. We will read the Very Hungry Caterpillar. The children will be making caterpillars and butterflies at craft time and learning about life cycles.

***ART SHOW: April 24 and 25th***
